8 tips for better presentations

1. Tell a story—make them care.
2. Start with what's most important to them.
3. Keep it simple, and short.
4. Use more slides with less on them.
5. Use clear, natural language.
6. Leave time to listen.
7. Tell them what to do next—get them to act.
8. Use our Brand Language principles to help make your presentations simpler, more effective and distinctively sounding like us. Download the guidelines.
